

EDUCATION

Shambhunath institute of engineering and technology
Bachelor of Technology; CGPA: 6.1

Prayagraj, India
Nov 2021 - July 2024

V B P S S I C Udahin Khurd Kaushambi
Intermediate - Mathematics; 59.6%

Prayagraj, India
June 2017 - July 2018

SKILLS SUMMARY

- Languages: JavaScript, HTML, CSS
- Library: React js
- Platforms: Visual Studio Code
- Database: MySQL

PROJECTS

Restaurant Website | React JS, Material UI, Tailwind CSS

- Developed a dynamic restaurant website using React JS, enabling interactive and responsive user interfaces.
- Integrated Material UI to implement a consistent and visually appealing design system across the application.
- Utilized Tailwind CSS for efficient, customizable styling and to achieve a modern and clean user interface.
- Designed and implemented features including a menu display, online reservation system, and real-time updates.

Myntra Clone | HTML, CSS, JavaScript

- Developed a clone of the Myntra e-commerce platform using HTML, CSS, and JavaScript, focusing on replicating the core functionality and design.
- Created a responsive layout with HTML and CSS, ensuring a consistent and user-friendly experience across various devices.
- Implemented interactive features and dynamic content with JavaScript, enhancing user engagement and functionality. Designed and coded product listings, search functionality, and filtering options to mimic the original Myntra interface.
- Integrated a simulated shopping cart and checkout process to demonstrate a complete e-commerce experience.

STRENGTH

- **Problem-Solving Skills:** Ability to analyze issues and find effective solutions quickly.
- **Team Collaboration:** Strong teamwork skills with experience working effectively in diverse groups to achieve common goals.
- **Adaptability:** Quickly learns new tools, technologies, and processes, adjusting to changes and challenges with ease.
- **Time Management:** Skilled in prioritizing tasks and managing time efficiently to meet deadlines in fast-paced environments.
